

UTAH COUNTY JOB DESCRIPTION

CLASS TITLE: ASSISTANT CLINICAL COORDINATOR-CJC
CLASS CODE: 2046
EFFECTIVE DATE: Amended 06/28/2007 (Revised 10/17/2006 version)
MARKET POINT: Based on applicable market study

DEPARTMENT: Children's Justice Center

JOB SUMMARY

Under direction of a Clinical Therapist II, assesses individual client needs, provides crisis intervention, facilitates the provision of appropriate services and referrals, and monitors the progress of individual child victims.

CLASS CHARACTERISTICS

This is the primary classification level responsible for coordinating client case management services.

ESSENTIAL FUNCTIONS

Facilitates necessary clinical intervention to assist in the review, staffing, and treatment processes during the investigation of child abuse cases.

Facilitates the involvement of law enforcement, protective services, County Attorney, medical and mental health treatment personnel, and other agencies with the alleged abuse victims and their families.

Provides crisis intervention services to the child and family members on site and by telephone.

Gathers information to be used in the social assessment and services planning process of the multi-disciplinary team.

Provides individual and group mental health treatment referrals as needed for the alleged child victim and family.

Presents criminal justice system processes information and education relative to child abuse issues for the child victim's non-offending parent or guardian.

Tracks treatment usage and outcome of the intervention processes.

Assesses the emotional state of the child and family and makes recommendations for action to the multi-disciplinary team.

Helps establish a non-threatening environment for children and families.

Assists in implementing procedures to assist agencies to obtain evidence useful for criminal prosecution and protective action in civil proceedings in a manner which does not further traumatize the child.

Assists with the training of team members, professionals, and volunteers pertaining to child development, emotional needs of children, family dynamics, and accomplishing the necessary interviews without further trauma for the child.

Facilitates a multi-disciplinary team approach in case management in behalf of the child and family.

Helps coordinate communication with the family of an allegedly abused child.

Facilitates the flow of information between the agencies responsible for criminal prosecution, protective action, and agencies responsible for therapeutic services.

Ensures process continuity and maintains case records according to Center policies and procedures.

KNOWLEDGE, SKILLS, AND ABILITIES

Ability to maintain cooperative working relationships with those contacted in the course of work activities;

Skill in public relations, crisis intervention techniques, and effective interviewing and counseling;

Knowledge of social services systems including protective service programs and procedures; basic
